Call for Proposals

27th National Training Institute (NTI)

Infant-Family Science, Policy, and Practice

Deadline for submissions is March 9, 2012

ZERO TO THREE invites submissions for presentations and posters with topic areas directly related to services for families with children birth to three years of age, including, but not limited to:

- Child care
- Child welfare
- Clinical practice
- Cross-disciplinary or interagency work
- Culture, language, race, ethnicity, class, sexual orientation or gender
- Early intervention
- Family-centered practice
- Health care
- Infant mental health
- Infant/toddler development
- Observation/assessment
- Personnel preparation
- Prenatal health and services
- Reflective supervision
- Research

Submissions are invited for:

1 ½ hour Field Presentations

Suited best to topics involving lessons learned from practice, research or public policy endeavors, or to case presentations involving clinical intervention with a child and family.

Or

Poster Presentations

For illustrating research models, research findings and program or practice models (especially those in their early stages).

The National Training Institute (NTI) is a comprehensive and multidisciplinary conference that focuses on cutting-edge child development research, best practices and policy issues for infants, toddlers and families.
